MISSION REPORT

A Night To Remember...

The event commenced at 6 p.m. with a café style area as the young people entered the building. Illiano's Pizza donated 40 cheese pizzas and Pepsi donated 60 cases of assorted products toward our event. Teens were invited to register at the door to win cool prizes (i.e. books, cds, t-shirts, etc).

Linda Dinerstein (from WCSE) was the MC for the event. She drew registration tickets from the stage and gave away prizes. She also introduced the bands, the film and the evangelist before the event began.

The first part of the 1 Shot Film went over without a hitch and Bobby Bishop really got the teens excited during his set. The Wrecking also did a great job of engaging kids. However, a problem emerged during the second half of the 1 Shot Film. The computer froze and the film kept skipping. Ultimately, the event was saved by our Mission Director, Anthony LaTerra, who beat-boxed for Bobby Bishop, creating a window for the techie team to fix the problem.

Evangelist Tom Miyashiro took the stage after the film finished. He shared The 4 Points (www.the4points.com), which takes The 4 Spiritual Laws and uses symbols to communicate each point.

The most exciting part of the evening was the invitation call, where **20 kids moved forward to pray** with counselors from our partner churches. Later, from looking over the response cards, we tallied **11 cards that acknowledged first time declarations of faith in Jesus Christ!**

I am so grateful that you have partnered with us for our first event to make it such a worthwhile endeavor! Once again, thank you for your generosity and support!

In Christ,
